

شركة الأنظمة الدولية
International Systems Co.

A person wearing a yellow hard hat and a safety vest is seen from the side, looking out over an industrial facility at sunset. The facility has several tall smokestacks and structures. Overlaid on the image are several white circular icons: a recycling symbol, a cloud, a radio tower, and a gear. The image is divided into blue and white geometric sections.

**INTERNATIONAL
SYSTEMS CO.**

INTRODUCTION

International Systems Company, formed in 2006 and based in Jubail Industrial City, is one of Saudi Arabia's leading EPC/LSTK contractor and system integrator.

With 16 years of expertise, International Systems Company is dedicated to solving customer problems through new ideas, efficiency, and high work ethics.

We are a team of highly driven professionals who can achieve extraordinary results and turn complicated challenges into solutions.

ISO-9001:2015 Certified

ISO-45001:2018 Certified

ISO-14001:2015 Certified

ISE SERVICES:

- LSTK Contractor for **plant process instrumentation and control system**.
- Turn key solutions for Analyzer systems.
- Turbo Machinery Control Systems, in collaboration with Compressor Control Corporation (**CCC**).
- Safety-related automation from **HIMA-Smart Safety**.
- Turn key solutions for Fire & Gas detection system.
- Turn key solutions for DCS, ESD, PLC, VMS, SCADA system upgrade, Panel integration.
- Thermal insulation & Coating solutions in collaboration with (**MASCOAT-DTI**).

International Systems Co.
P. O. Box 30943. Al-Jubail,
Kingdom of Saudi Arabia.

EPC / LUMP SUM TURNKEY SOLUTIONS

- ISE is a leading EPC/LSTK contractor specialized in process instrumentation and control system
- Engineering, Procurement and installation of Field instrument, analyzers, Valves, Gas detections system, safety systems, etc.
- Control System cabinet design, integration, installation, testing & commissioning.
- We are capable of procuring variety of instruments from major OEM.
- Local panel installation and commissioning.
- Upgradation of obsolete equipment's with latest and better equipment
 - DCS – Distributed control system
 - PLC – Programable Logic Controller
 - ESD – Emergency Shutdown Systems
 - DAS – Data acquisition Servers.
 - WMS – Weather monitoring systems.
 - VMS – Vibration/Machine Monitoring system
 - F&G – Fire & Gas detection Systems.
- Field Construction work related to cable tray installation, conduits, instrument tubing, cable installation, termination, testing & commissioning, FAT & SAT.

ANALYZER SOLUTIONS

Some of the analyzers ISE offers.

- Liquid Analyzer
- Gas Analyzer
- Gas Chromatograph
- Continuous Emission Monitoring System
- Sample conditioning system.

End User	Analyzer System Type	Qty of Analyzer
SABIC YANPET	GAS & LIQUID	76
SABIC SAFCO	LIQUID ANALYZER	10
SABIC SABTANK	CEMS	03
SABIC YANPET	GAS "BTX"& LIQUID	08
SABIC PETROKEMYA	GAS & LIQUID	103
SABIC-AR RAZI	AIR QUALITY MONITORING	5
SABIC-ALBAYRONI	LIQUID ANALYZER	12

PROCESS CONTROLS SOLUTIONS

- ISE offers fully integrated solutions that cover all process automation and engineering services related to effective monitoring and control of industrial plants.
- We provide effective solutions based on end-user requirements and have extensive experience supplying and integrating cutting-edge ESD and Safety PLC systems.
- Design and development of a new PLC/HMI/SCADA system
- We offer Site Services such as complete package installation and commissioning, on-site PLC program modification, maintenance / troubleshooting, site support, and training.

PLC VENDORS

ROCKWELL AUTOMATION (LEGACY PLC5, FIXED LOGIC, SLC500, CONTROL LOGIX L7 SERIES)

SIEMENS SIMATIC S5,S7 300, S7 400 SERIES

HIMA SAFETY SYSTEM SIL3 RATED HIMA X, HI QUAD, HI MATRIX, PLANAR 4)

PANEL INTERGATION

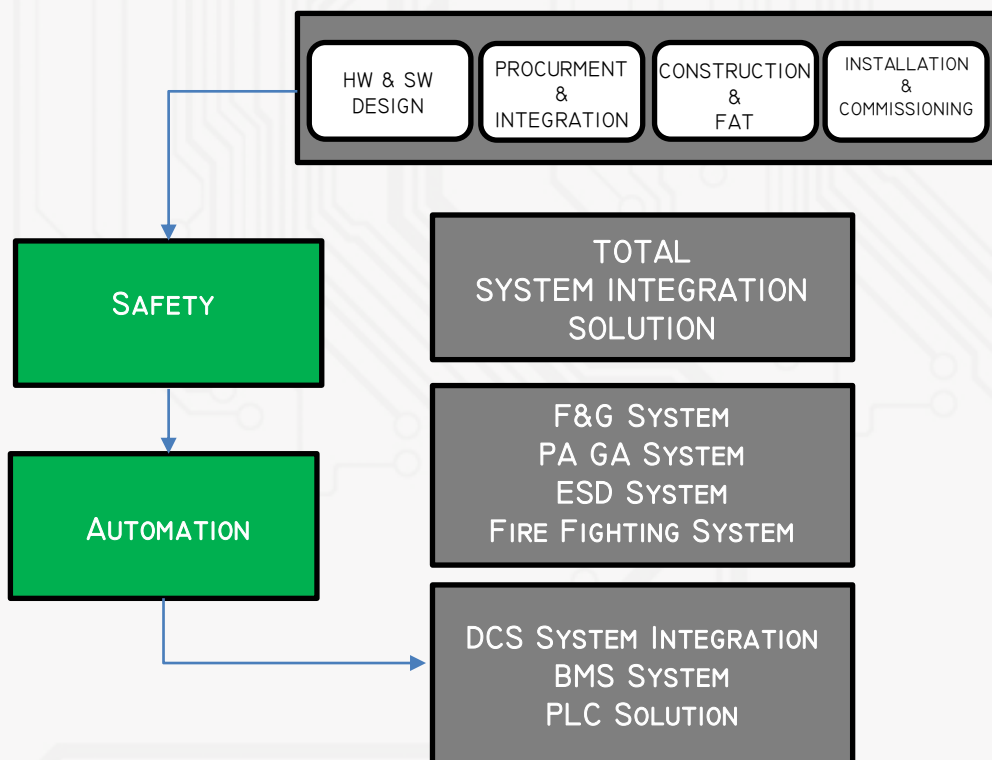

- ISE has its very own staging area which is fully approved for Assembly and Testing for DCS System and CCS
 - **Vendor Code No. 10057935**
 - **Plant No. 30007611**

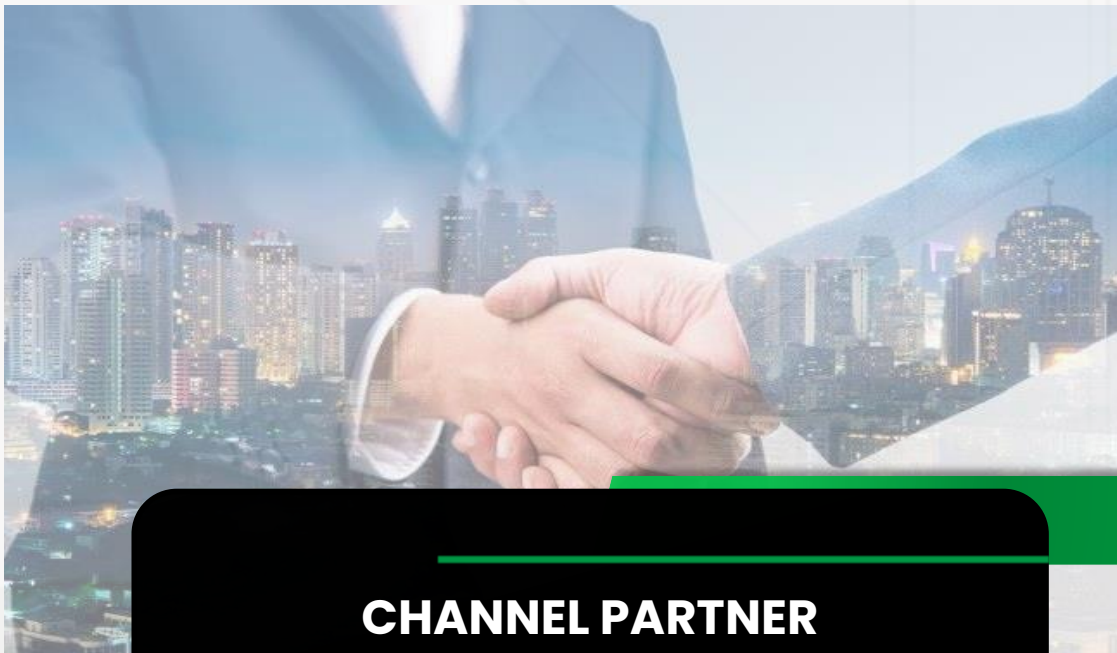

9COM	DESCRIPTION
6000016361*	CABINET: DCS SYSTEM (ASSEMBLY AND TEST)
600006420*	CABINET: FOR (ASSEMBLY AND TEST)

F&G SAFETY SOLUTIONS

- ISE has the ability and experience to provide full safety solutions in F&G, ESD, PA GA, and Fire Suppression Systems.

CHANNEL PARTNER

- **CCC turbomachinery control solutions** have been helping customers improve process reliability and efficiency in various industries for over 40 years.

- **HIMA** solutions help increase functional safety, strengthen automation security and boost plant profitability. With more than 50,000 installed TÜV-certified safety systems (SIL 3 and SIL 4) worldwide, HIMA qualifies as the technology leader in this sector.

- **Mascoat Industrial-DTI** is a high-performance coating that provides an economical, efficient, and time-saving **solution to thermal insulation needs.**
